

## WHAT YOU NEED

### Food:

milk

3 different food colourings

### Equipment:

1 large plate with a rim

cotton bud

washing up liquid

# Milk Kaleidoscopes

## WHAT TO DO

- 1** Pour the milk onto a dinner plate until the base is covered.
- 2** Carefully add two drop of each food colouring onto the plate
- 3** Put some washing up liquid onto a cotton bud and touch the milk next to each bit of food colouring and watch what happens!
